**Escola de Hotelaria e**  
**Turismo do Porto**

12º Ciências e Tecnologias  
**Ribadouro, Porto**

## ABOUT

After searching for my true passion and career path, I finally found my calling in programming. Taking a leap of faith, I enrolled in an intensive 14-week course at <Academia de Código\_> to switch careers and pursue my dreams.

I am a self-starter who is dedicated to continuous learning and development, driven by the belief that loving what you do is the key to doing great work. Let's code together !

## MY EXPERIENCE

### < Atalho, Meat Bar > [Chef Manager] Lisboa 2015/2018

Responsible for staff salaries, vendors, cleanliness, organization, and client satisfaction.

### < Ovarmat, Ovar > [Store Vendor] Ovar 2018/2020

Assisted customers with purchases, processed payments, handled returns and exchanges, and contributed to visual merchandising efforts.

### <Recheio, Aveiro > [Shelf Stocker] Aveiro 2020/2023

Ensured store shelves were fully stocked and neatly organized while providing great customer service.
